

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MISSOURI  
EASTERN DIVISION

REGIONS BANK,

Plaintiff,

vs.

DNA SERVERS, INC., *doing business as*  
ORANGE COMPUTERS, *et al.*,

Defendants.

Case No. 4:23-cv-00966-MTS

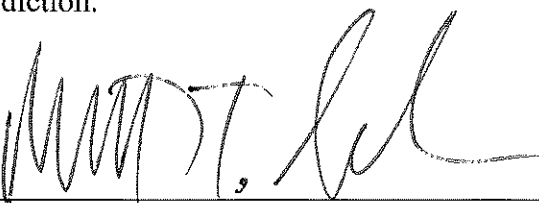

**MEMORANDUM AND ORDER**

This matter is before the Court on review of the file. The Court previously alerted Plaintiff that its Complaint failed to establish the Court's subject matter jurisdiction. *See* Doc. [33]; *see also Hertz Corp. v. Friend*, 559 U.S. 77, 94 (2010) ("Courts have an independent obligation to determine whether subject-matter jurisdiction exists, even when no party challenges it."). For purposes of diversity jurisdiction, a corporation is a citizen of every state where it is incorporated and the state where it has its principal place of business. *Great River Ent., LLC v. Zurich Am. Ins. Co.*, 81 F.4th 1261, 1263 (8th Cir. 2023) (citing 28 U.S.C. § 1332(c)). Plaintiff's allegations regarding itself and regarding Defendant DNA Servers, Inc. do not provide that information. *See* Doc. [1] ¶¶ 1, 2. Thus, Plaintiff has failed to establish the Court's subject matter jurisdiction over this action.

Accordingly,

**IT IS HEREBY ORDERED** that Plaintiff must establish this Court's subject matter jurisdiction no later than **Monday, January 22, 2024**. Failure to do so will result in the dismissal of this action without prejudice for want of jurisdiction.

Dated this 17th day of January 2024.
